

## **MOVIES AT THE LIBRARY**

Plattsburgh Public Library is pleased to be able to present a new program—Movies at the Library—that is free and open to the general public. Starting on January 7, 2010, every Thursday night from 6 to 8 pm, a movie will be shown at Plattsburgh Public Library upstairs in the auditorium. These movies will be free and open to the general public, but some of them may require a parent's presence for children to attend. The movies will all be centered on a theme that will usually last a month. The theme for January is sports/Olympics and February is Black History Month and Academy Award winners. March's theme will be Women's History Month and April will be humor. The third Thursday of each month will be considered "Chick Flick" night and a romantic movie will be shown that fits in with the theme of the month. On the second Saturday of each month, starting on January 9, 2010, there will be a family fun movie shown that will be open to all ages. These movies will loosely follow the same themes for the Thursday Movie Night series. Please contact Colleen Pelletier at the Plattsburgh Public Library (563-0921) for further information on the movie to be shown each Thursday and the second Saturday of each month. Facebook users please become a group member of the "I Love Plattsburgh Public Library" group to get the latest updates on programs at the library. This program, Movies at the Library, is made possible, in part, with public funds from the New York State Council on the Arts, Decentralization Program, administered locally by the North Country Cultural Center for the Arts.
