## Welcome to the Plattsburgh Public Library's SimplyE tutorial!

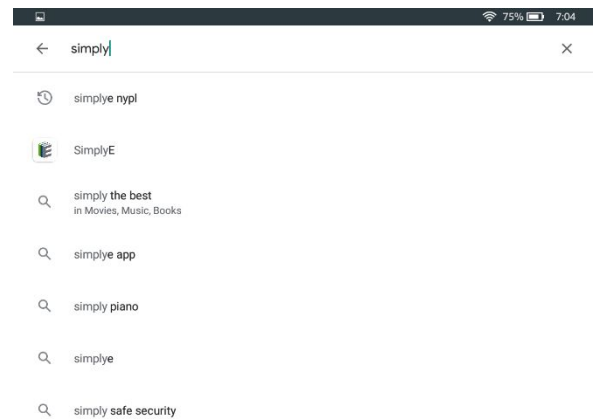

---

Every resident of New York State is allowed a New York Public Library Card. With all the libraries currently closed, there are alternative ways to access their collections. One of the ways the New York Public Library has made its collection available to all. No library card needed! All that is required is a mobile device and access to either the App Store or Google Play.

Step One: Choose the mobile device where you want to install SimplyE.

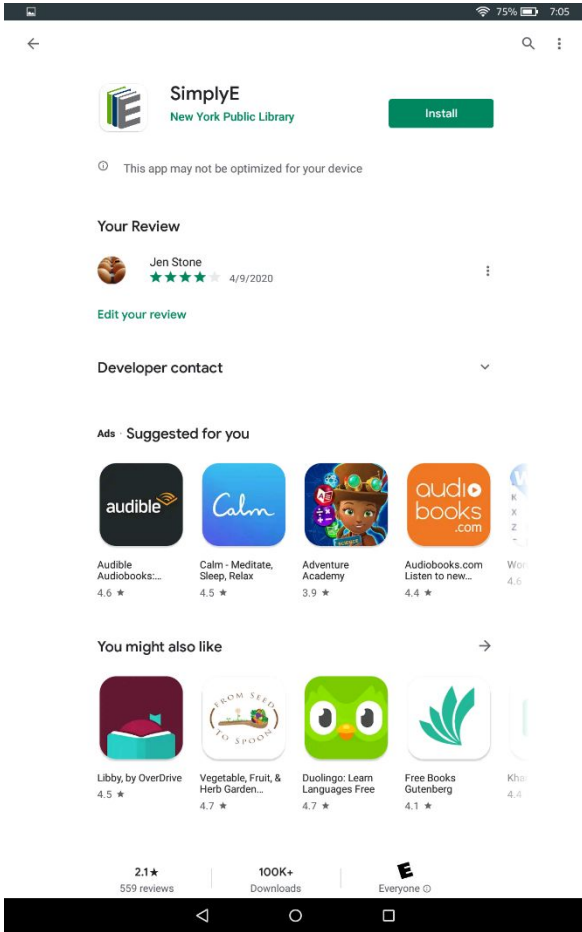

Then, depending on your device, open either Apple's App Store or Google's Play Store.

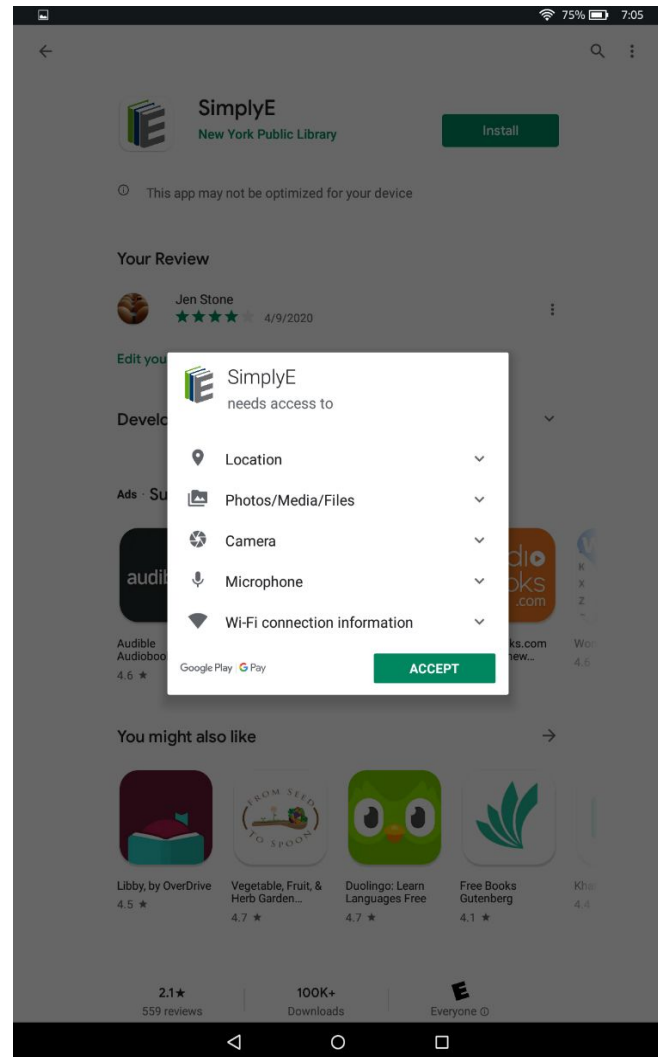

Step Two: Type "SimplyE" in the search bar. Select "SimplyE".

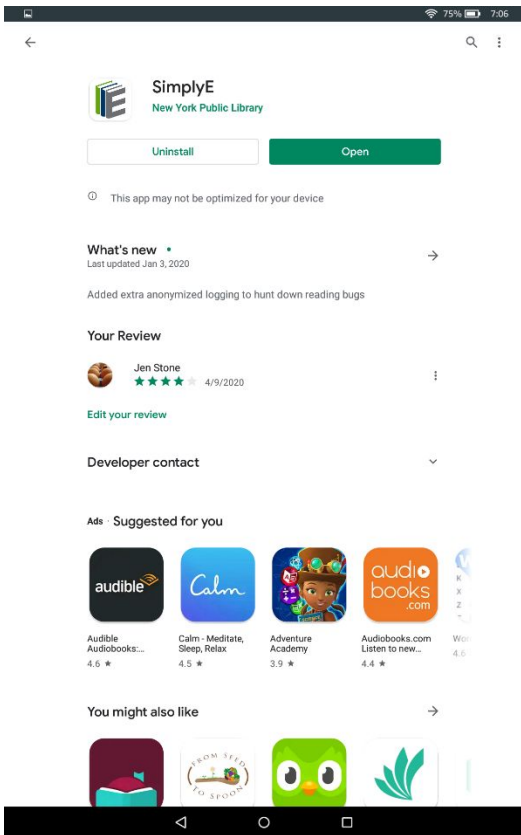

Step Three: When the App Page appears, tap "Install."

Step Four: Accept App Permissions and wait for installation to complete.

## Step Five: Open SimpleE

**SIMPLYE END USER AGREEMENT**

Please take a moment to read the End User License Agreement (EULA) below. This EULA is important because it provides the conditions for your use of the NYPL SimpleE application, your relationship with NYPL, and your relationship with the software contributors and eBook content providers, including your local library, that help to power SimpleE. By continuing to use SimpleE, you accept the terms of this EULA. If you do not accept the terms, you are not authorized to use NYPL SimpleE.

**NYPL SimpleE End User License Agreement**

Last Updated: 12.8.17

This End User License Agreement ("EULA") is a legal agreement made between The New York Public Library, Astor, Lenox, and Tilden Foundations ("NYPL", "we", "us", or "our"), and you ("you" and "your") as a licensee and user of NYPL SimpleE's machine-readable object code ("the Software"), an eReader application for mobile devices developed and distributed by NYPL. By continuing to use the Software, you are confirming your acceptance of the Software and are agreeing to become bound by this EULA. If you do not agree to be bound by these terms, then you may not use the Software. Failure to abide by the terms of this EULA may result in termination of your access to the Software, eBook content (the "Content"), and any related websites or applications controlled by NYPL. Notwithstanding the foregoing, software having a separate end user license agreement shall be covered by that separate end user license agreement and shall be expressly excluded from the definition of Software. Questions concerning this EULA, Software and/or Content shall be directed here: [EULA@librariesimplified.com](mailto:EULA@librariesimplified.com)

**I. Grant of License to Software**

A. NYPL grants you a non-exclusive, non-assignable, non-transferable, limited license to the Software in machine-readable code only for your personal, non-commercial use. The Software is licensed as a single product, and not sold. No ownership rights in the Software are transferred to you at any time. You acknowledge and warrant that nothing in this EULA gives you right, title, or interest in the Software.

B. You shall not:

1. copy, rent, lease, sell, repair, transfer, assign, sublicense, disassemble, circumvent, reverse engineer or decompile, modify or alter the Software including, but not limited to, translating or creating derivative works, under any circumstances;
2. separate the Software into its component parts for independent use;
3. remove any proprietary notices and/or labels on or in the Software; and/or
4. use the Software for any commercial or illegal purpose.

C. End User Terms Required by Adobe. The Software contains Adobe DRM ("the Adobe Software"), which NYPL has provided to you by license arrangement with Adobe Systems Incorporated ("Adobe"), a Delaware corporation having a place of business at 345 Park Avenue, San Jose, CA 95110-2704, and with WebQEM Pty Ltd (the "Adobe Supplier"), a corporation having a place of business at 59 Backland Road, Atlanta, GA 30342. As a condition of that license, you agree to be bound by the specific terms of this subsection. This subsection limits your use of the Adobe Software, and also requires you to use the Adobe License Signing Service (the "Adobe Service"), and comply with its terms, when using the Adobe Software. You agree as follows:

1. No Modification or Reverse Engineering. You specifically acknowledge and agree that other than as expressly set forth in this EULA, you shall not modify, port, adapt or translate the Adobe Software or its documentation. You will not reverse-engineer, decompile, disassemble, or otherwise attempt to derive the

Step Six: Search the catalog!

Step Seven: Select the book you are interested in reading. Tap "Download".

Once the book has been downloaded to your device, tap "Read" from within SimplyE.

You'll notice that some of the books have the message "This book is yours to keep." You don't have to return these. Others will say "You have this book on loan."

I expect these books will be automatically removed from your device once the NYPL is open to the public again.

Happy Reading!
